Livestock Weighted Average Report for 9/12/2022 - Preliminary

AUCTION

	This Week	Last Reported 8/29/2022	Last Year
Total Receipts:	10,600	7,954	8,759
Feeder Cattle:	10,600(100.0%)	7,954(100.0%)	8,759(100.0%)

Close

Compared to two weeks ago: Feeder steers mostly steady. Steer calves 4.00-8.00 lower. Feeder heifers steady to 2.00 higher. Heifer calves unevenly steady. Demand very good for feeder cattle and long weaned calves; moderate for others. Large run today despite many farmers busy in the field planting wheat. It feels like October outside, but not talking about the weather. Several un-weaned, bawling calves available. A small stint of fall like weather moved in over the weekend bringing some light moisture to the northwestern part of the state. Supply included: 100% Feeder Cattle (60% Steers, 35% Heifers, 4% Bulls). Feeder cattle supply over 600 lbs was 42%.
